Buddy	I wake up in the morning, weather is grey And I got a big hangover and I know that I gotta pay I played the game to hard and I started making mistakes While drinking my brains away, never pull no brake
Buddy	And now I've got to suffer blinkin' with bloodshut eyes in the morning sun Somedays my life is tougher which I don't realize 'till the morning comes
Buddy	Just gimme one minute and I try to explain what's going on Life's not infinite so we might as well make it fun And so I do that and the best feeling that you get Is when you're with your band with the mike in your hand
ALLE	Oooh, when the music is groovin' It's not gonna get any better than this I said, Oooh and when the people are movin' I say these moments are just so priceless! Oooh, when the music is groovin'
ALLE	It's not gonna get any better than this I said, Oooh and when the people are movin' I say these moments are just so priceless! (BREAK)
Buddy	It's low pay to no pay no you don't earn a cent But I won't say I don't play for free with my band Even if I have to pay myself I know I do it again It's like a drug but not as fucked up 'cause you win in the end...
Buddy	Please believe me, don't treat me like you think I'm a masochist Though if you meet me just briefly it might seem that's how it is But my broken lungs and my tinitus will soon become meaningless If you just understand what's going on...
Buddy	Just gimme one minute and I try to explain what's going on Life's not infinite so we might as well make it fun And so I do that and the best feeling that you get Is when you're with your band with the mike in your hand
ALLE	Oooh, when the music is groovin'...
ALLE	Oooh, when the music is groovin'...
ALLE	Don't say (don't say) It's not worthwhile what I do Don't you (don't you) Tell me it's just for the booze Don't try (don't try) To convince me, it's a waste of time
