I'm drifting through the athmosphere
Trying hard to get out of here
Can't realize you've done me wrong
I take my board and skate out strong

I was waiting so long
Nothing ever shook me harder
I was waiting so long
Kick me down cause I'm a starter!

Me seh if sundeh is no good me try again on mondeh
Now de papaman is de one who workin' for de fundeh
Feelin' badda dan bad me sad man me got tears in me eyes
Call a lovah, call a lovah, but a lova - she's gone!

Now I stand alone got no home - real down man
Ana dinah is a lot of beer and cigarettes - come!
Me really innocent indeed
And me try anoda noda noda beat!

I.O. da raggamuffin goin' hardcorestyle
MC Papaman and Bo are on da trial
So please listen for a while I.O. I.O. I.O. I.O.

I.O. da raggamuffin goin' hardcorestyle

You're my champion-bubblah
You're my champion-bubblah
Gone, gone, said a bye-bye
Gone and said a boom-bye

You turn out the freak in me
Going insane can't you see
Congregation in my head
Don't want no other babe instead

Don't wait any longer
It's time to make up our mind
Don't wait any longer
Cause I go I.O. fuckin' blind!

Good lookin' gal
U need de paparoute international
Good lookin' ya all
See de rubbaduck and be no criminal - hear dis!

U see the down and old papa - de downtown rappa
Lying goot motherbuttah on da toast to make it bettah
Papaman not a jamdong man - see reggae-steppah
But me try to do de best, really de best, really de best

Make a microphone-test - microphone-test
Papaman a doh de microphone-test - hear dis!
